Access to Banking Standard - Requirement	Progressive information
The Society’s procedure for deciding to close a agency	<p>The Access to Banking Standard requires organisations to publish an Impact Assessment when they close any agencies. We’ve chosen to publish this document to do the right thing for our members, to make sure they’re informed of our plans.</p> <p>When we analysed our agency network, we considered a number of things. First of all, we thought about how a closure might impact any members, especially those who are vulnerable or potentially vulnerable We also considered if and how the agency in question could fit in to our future plans, all whilst delivering the best value for our members. The Society has invested in its high street branches and in training its staff to provide a top quality service to our members. We have recently launched an online savings platform for our members. Our members are changing how they wish to manage their money with us. Footfall at our agencies has declined resulting in less counter transactions taking place. Many members can now access funds using our online services. Following a comprehensive review of our agency network, a decision has been taken to close our agency at Allens Estate Agent.</p>
The main reason for the closure of that agency and, while maintaining commercial confidentiality where appropriate, what information was used to make that decision	We analysed the number of transactions taking place at the agency since 2019 and the number of customers using the services and found that the demand from customers has fallen. We consistently review our business operations and, having reviewed the effectiveness of the agency, we have taken the very difficult decision to close our agency at Allens Estate Agent.
How the Society defines the terms it uses in its Impact Assessment	<p>Counter transactions or transactions – the number of cash or cheque deposits and withdrawals over a representative timeframe (2019 – date)</p> <p>Online Services – Where a member can register and transact on their Progressive account</p> <p>Footfall – The number of customers accessing Progressive services at the agency</p> <p>Vulnerable - someone who, due to their personal circumstances, is especially susceptible to harm - particularly when a firm is not acting with appropriate levels of care</p>

<p>The Society's assessment of the impact of the closure on customers</p>	<p>We recognise that this closure will impact Members who use the Progressive Agency at Allens Estate Agent. Customer mortgage and savings accounts will continue to operate normally and will not be affected by the closure of the agency. You can manage your account at any of our other branch / agency locations. Your terms and conditions will not change.</p> <p>Should you have any questions or concerns, you can contact us on 0800 0294 997 and a member of our team will be happy to assist you.</p> <p>We will write to all Members who transact at the agency to inform them of this closure.</p>																				
<p>The date of the closure</p>	<p>31st March 2023</p>																				
<p>What the alternatives are, how they can be accessed, and what the Society will do to help or assist with all or each of those.</p>	<p>We are always here to help and you can request additional assistance by visiting any of our branches or by contacting us by telephone. You can contact our mortgage helpline on 02890 160949 or our savings helpline on 0800 0294 997 from 9am to 5pm. Alternatively customers can telephone any of our branches directly.
