ONLINE SAVINGS HOW TO REGISTER GUIDE

Registering for our online platform and opening your new Progressive account is a quick and easy process.

Registered

First you will complete your registration to have access to our online portal.

There are five screens to complete, and you will need your mobile phone number, your email address and valid photographic ID. If you don't have valid photographic ID or would prefer not to complete identity verification online, that's okay, please select "I don't have photographic ID" when you reach screen 3, complete your registration, and a member of our support team will be in contact within 2 working days to gather your ID.

On the first screen please complete your personal details including your date of birth and address.

Next, move to Screen 2, we will now send you two six-digit codes to verify your email address and phone number.

Once you have received these, enter them on screen and click "Next".

If you do not have valid photographic ID, please select "I don't have photographic ID" when you reach screen 3, complete your registration, and a member of our support team will be in contact within 2 working days to gather your ID.

It can take up to 5 minutes for your ID to be verified. If your ID has been verified, please click "Next" to move to Screen 4.

If we cannot verify your identity, please close the on-screen message, and continue to Screen 4 and a member of our support team will be in contact within 2 working days.

You will not be able to open a new account until we have validated your identity.

Step 3 of 6*

Personal Details Verify Details Identity Set Login Details Please set your secure password which you will use to securely login to our portal. Ensure your password is at least 8 characters long, contains at least one uppercase character, one lowercase character and one digit Please set your secure password which you will use to securely login to our portal. Ensure your pas characters long, contains at least one uppercase character, one lowercase character and one digit. 1 lowercase characte / 8 character ✓ 1 uppercase characte. Your 2-Factor Authentication Method Authenticator Application If you choose "Authenticator App", you'll need to download an app on your phone. This is a security feature and we'll use the app to make sure it's really you. We'll tell you when you need to download the app. To help keep your personal details safe, we need to make sure it's you at login.

On Screen 4 you will be asked to set your password and choose a method of two factor authentication to keep your account secure.

Finally screen 5, please review and accept the terms of use for our online portal, let us know how you would like to be contacted about your online accounts and if you would like to confirm your marketing preferences.
